

Autumn One in Year 2

English

We are reading...

In English we will be using the fiction book 'The Secret of Black Rock' for our text based lessons. We will be persuasive writers – writing to invite people to live by the sea.

Cross-curricular links will be made with sea creatures as we learn about the seaside and coasts in Geography.

In Poetry we will be looking at Mini Beast Poem by Christina Rossetti.

Homework

Reading: Daily

Times Tables Rock Stars: Daily

Weekly: Spellings, Maths and English homework.

Maths

Place value :

Numbers to 20, count in 1s, 2s, 5s, and 10s, compare and order objects and numbers, recognise tens and ones, partition numbers, write numbers to 100 in words, count in 3s.

Addition and Subtraction:

Bonds to 10 and related facts, add and subtract 1, add 10s, add and subtract across 10.

CLIC (Daily maths skills).

Counting, Learn-it's, It's Nothing New, Calculation

Science

Animals' Needs for Survival

Children will find out about and describe the basic needs of animals, including humans, for survival (water, food and air).

We will be working scientifically by asking simple questions and recognising that they can be answered in different ways.

Humans

Children will be able to describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.

They will work scientifically by gathering and recording data to help in answering questions.

R.E

Unit 2A Old Testament: Stories and Prayers

This unit is designed to give children some insight into the stories and the characters of the Old Testament.

Unit 2B Parables and miracles

This unit is designed to extend the children's knowledge and understanding of the life of Mary and Jesus and the call of the disciples. They will also learn about some saints who have responded to the call of Jesus.

Unit 2E Parables and Miracles

In this unit we will learn some of the words and actions of Jesus in his miracles. We will know how the Church shows care for the sick through anointing with the Oil of the Sick. We will about a miracle Jesus performed.

Geography

Seasides and coasts:

Children will learn the geographical features of the seaside, both human and physical. Children will learn about seaside environments; finding out where they are located in the United Kingdom and seaside resorts nearest their own locality using maps and aerial photography - developing their key vocabulary. Children will learn about the similarities and differences between seaside resorts and their own locality. Children develop their geographical skills through fieldwork, inquiry and map-based activities throughout the lessons in this unit.

Art

In our Artwork this term, we will be focusing on the artist Henri Rousseau. We will compare his different pieces of art and create our own work based on the techniques and styles he used.

P.E

This term our PE focus will be:

- Athletics
- Ball skills

RHE

Mental well-being

Ten Ten:

Module 1 Created & Loved by God

Unit 1 Religious

Understanding: Let the Children Come

Module 1 Created & Loved by God

Unit 3 Emotional Well Being: Feelings, likes and dislikes

Computing

Computing systems and networks – IT around us

We will develop our understanding of what information technology (IT) is and will begin to identify examples. Pupils will discuss where they have seen IT in school and beyond, in settings such as shops, hospitals, and libraries. Learners will then investigate how IT improves our world, and they will learn about the importance of using IT responsibly.

Music

This term we will be focusing our learning around the song 'Hands, feet, heart' a song written for the Charanga music scheme. We will learn to Clap the beat, sing the song and play the instrumental parts and working together as a group to perform.
