

St Thomas More Primary

Evidencing the Impact of Primary PE and Sport Premium

2018/19

Our aim is to achieve the following objective:

To achieve self-sustaining improvement in the quality of PE and sport at St Thomas More School. We will achieve this by developing and or adding to the PE and sport activities that the school already offers and make improvements now that will benefit pupils joining the school in future years.

We will be using the funding to: -

- Provide qualified sports mentors to work with teachers
- Provide existing staff with training or resources to help them teach PE and sport more effectively
- Introduce new sports or activities and encourage more pupils to take up sport
- Support and involve the least active children by running or extending school sports clubs
- Embed competitive elements to curriculum PE
- Increase pupils' participation in the School Games.
- Continue the membership with North Oxfordshire School Sports partnership to continue links with other schools and clubs.

St Thomas More School has opted to continue to support the School Sports Partnership by allocating 50% of the funding to the North Oxfordshire Schools Sport Partnership ensuring that, with the exception of curriculum coaching, all festivals, competitions, CPD and resources will continue to operate next year. This year's training was focused on My Personal Best Primary promoting a whole school approach to teaching and learning in PE, where life skills and values such as cooperation, responsibility and resilience are taught explicitly through PE. It explores these life skills practically, helping children to recognise and transfer them to other lessons, to life in school and to their wider lives. Through My Personal Best Primary, children aged 4-11 will:

- develop and apply life skills that will support them to flourish in PE, school and life
- improve health & wellbeing and personal skills
- grow understanding and working with others (social skills)
- create opportunities, overcome challenges and make choices (thinking skills)
- increase their potential achievement and readiness for life

A detailed action plan of how we are going to spend the rest of the funding is available on the school website.

Successful New Partnership Initiatives:

- Continued to tackle the government's requirements for 30mins physical activity for all pupils every day. Using a range of strategies such as having physical activity monitoring charts, training young playground leaders, increasing participation in festivals.
- 100% coverage of every child in school taking part in at least 1 festival years 1-6.
- More children than ever taking part in festivals
- We have raised the number of SEND Pupils participating in our festivals.
- We have raised the number of Pupil Premium Pupils participating in our festivals.
- Raised the number of girls taking part in festivals across the partnership
- A new club was introduced this year-KS1 and KS2 Multiskills/Sports
- End of the year targeted festival (Any children from Year 3 to Year 6 who have not yet attended a festival)

THIS YEAR WE HAVE ACHIEVED THE SILVER KITEMARK FROM THE YOUTH SPORT TRUST AND GOLD AWARD FROM THE SAINSBURYS SCHOOL GAMES

How we spent the funding 2018/19:-

1. The engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles.

Bike Ability and Award scheme also continued this year as part of our development of a healthy active lifestyle.. This year again we had a 100% success rate with all our Y6 children passing their Bike Ability training.

Sports Leadership training was completed by our Y6 children. Additional new playground equipment purchased from the PE funding developed our Playtime activities delivered by the Y6 children. 92% of Y1 and 87% of Y2 children were engaged throughout the year in lunchtime activities.

Every class continued to use their allocated hall space for Active Maths/literacy and Topic lesson to again increase physical activity throughout the day.

Boogie Break time continued offering an opportunity for children to have an active break by engaging in aerobic dance routines to popular songs.

2. The profile of PE and sport being raised across the school as a tool for whole school improvement.

St Thomas more school recognises the impact specialist PE teaching and mentoring has on PE across the school with the PE action plan linked to the School development plan.

This year planning applications were submitted to achieve a new Multi use games area (MUGA) for our playground. This facility will greatly improve the children's opportunities to take part in activities outside during curriculum PE, playtime and after school clubs.

The "Callum O'Dowda" award for Sporting Excellence "was awarded over the terms to 3 children

The "Sue Pollard" award form teams awarded to Y6 Play Leaders for their contributions to playtime.

The school website and 2-weekly newsletters reflect the profile of PE at St Thomas More School.

3. Increased confidence, knowledge and skills of all staff in teaching PE and sport

St Thomas More school has opted to continue to support the School Sports Partnership by allocating 50% of the funding to the North Oxfordshire Schools Sport Partnership ensuring that, with the exception of curriculum coaching, all festivals, competitions, CPD and resources will continue to operate next year Youth Sport Trust training -developing PE in school; PE coordinators training; developing playtime activities.

We were delighted again to welcome Mr Lee Smith our School Sports Coordinator who throughout the year worked alongside all teachers to support and develop the teaching of PE throughout the school. This opportunity was due to our continued commitment and affiliation to the North Oxford School Sports Partnership.

The PE lead continued to participate in training from the North Oxfordshire Sports Partnership along with the Youth Sport Trust. This training focused on the new My Personal Best Initiative, personal challenges and Outdoor adventure activities.

Broader experience of a range of sports and activities offered to all pupils.

The children in KS1 and 2 were given the opportunity to enjoy a fun tennis taster session today, delivered by North Oxford Lawn tennis club and children were offered free family taster days at the club throughout the Summer.

The Sports funding enabled us to continue to offer Top-Up swimming for our Y6 children who had not reached the statutory requirement 25m. 5 non-swimmers in Y6 attended 6 sessions of swimming in summer term. 99% of the swimmers achieved 25m after Top-Up Swimming.

This year we introduced some Y6 transition festivals for children to experience their new secondary school PE experience. Students from Y7 at Gosford School worked with groups of our Y6 children during fun PE activities at Gosford to familiarise them with their new school and its facilities.

Obesity measures for Reception and Year 6 children were below local and national averages

4. Increased participation in competitive sport.

Every child from Year 1-6 will have taken part in Level 1 competitions

Level 2 competitions: 257 pupils participating. (6% SEND & 8% PP) 29% increase on last year(Y3-6)

Our U11 boys took 1st place in the swimming gala and the cross-country competition.

This year we were able to continue participation by adding a football league competition with St Thomas More U11 boys finishing as winners of the competition

We also reached the **County Finals competition in TAG rugby** finishing 9th and Quad kids (two individual competitors, U9 and U11). Our U9 girl finished in top place with the U11 boy finishing 11th

Funding was allocated to continue the upkeep of the school minibus for travel to and from events.

COMPETITIONS/FESTIVALS ATTENDED THIS ACADEMIC YEAR

FESTIVAL/COMPETITION	PLACING
U11 Tag Rugby Festival	1st and 4rd place
Y3 OAA/Teambuilding Festival	NON COMPETITIVE
