# Spring One Term Year 3

## English

In English this term we will read 'Escape From Pompeii by Christina Balit, This book links to our Geography topic and through text analysis and focused writing sessions, the children will write a first person recount of the eruption of Mount Vesuvius. In addition, children will write instructions for how to prepare for an earthquake or volcanic eruption.

## Maths

Multiplication and Division A: multiplication, equal groups and arrays, multiples 2,5,10, sharing and grouping, multiplying and dividing by 3, 4, 8, 3,4,8 times table

### Multiplication and Division B:

Multiples of 10, related calculations, reasoning and multiplication, Multiply and divide a 2 digit and a 1 digit with exchange, no exchange, flexible partitioning and dividing by remainders **Length and Perimeter:** Measure in metres, centimetres and millimetres, Equivalent lengths in metres, centimetres millimetres, add and subtract lengths, perimeter

## R.E

**3E:** We listen to God's Word At Mass. Children will have the opportunity to know and understand the importance of listening. They will know the structure of the Liturgy of the Word at Mass and will be able to discuss and explain why it is important that Christians listen to the Word of God.

#### 3]: The Eucharist is a Thanksgiving to

God. Children will sequence the Liturgy of the Eucharist and discuss the different words and actions associated with this part of the Mass. They will understand that this is a celebration of thanksgiving for the death and resurrection of Christ who is presen in the form of bread and wine.

given in the celebration of these Sacraments.

## Homework:

We are

reading...

PHILIP

BULLMAN

Homework for this term will be one English piece each week and one Maths piece.

On top of this children are expected to do 5 minutes each day (or 20 games a week) on TT rockstars and Spelling Shed.

## Geography

The Big Question: How would you plan for a volcanic eruption? We will be learning about how the major landforms on earth have developed over time.

**Key Questions:** What is the Earth made of? How are mountains and volcanoes formed? How do earthquakes and volcanic eruptions happen? What are the effects of earthquakes and volcanic eruptions? Do the benefits of living near a volcano outweigh the risks?

Science

Art

Music

## **Forces and Magnets:**

In Science this term, children will be looking at exploring the properties of magnets and magnetic materials. They will also be able to apply their knowledge of how things move on different surfaces.

Children will be working scientifically and investigate how toys can be grouped according to how they move.

In Art this term the children will be looking at the work of 'Sonia Delaunay'. The aim is to create their own versions of her most famous pieces. This will include comparing methods and approaches between their own, and others' work and also directly annotating work, sketches and drawing prior to creating final pieces of work.

## The Dragon Song:

Children will be learning a song all about kindness, respect, friendship acceptance and happiness.

## Spanish

The children will be learning about birthdays. This will include learning about months, dates and asking someone when their birthday is.

PE

#### Fundamentals:

In this unit pupils will develop the fundamental skills of balancing, running, jumping, hopping and skipping. Pupils will develop their ability to change direction with balance and control.

## **Gymnastics:**

In this unit pupils develop balancing, rolling and jumping. Pupils develop their confidence to perform, considering the quality and control of their actions. Computing

Learners will use a range of techniques to create a stop-frame animation using tablets. Next, they will apply those skills to create a story-based animation. This unit will conclude with learners adding other types of media to their animation, such as music and text.
