

Autumn One in Nursery

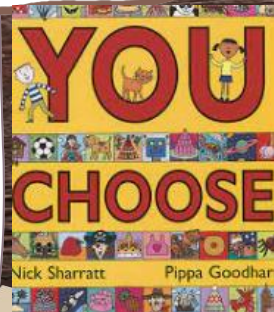

CL and L

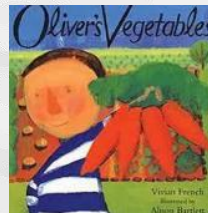

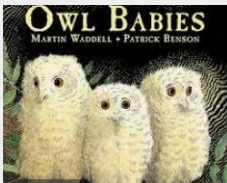

This term our Communication, Language and Literacy will focus on settling into school routines. We will learn new vocabulary derived from our class stories and nursery rhymes. We will make new friends and build meaningful relationships with others, including adults.

We will use our core texts as a stimulus for our own mark making and story-telling.

We are reading...

Core Texts

Maths

In our Maths learning we will be comparing amounts using the language of more than, fewer than, same. We will also explore and build with shapes and objects and make comparisons. We will explore repeats in our continuous provision and play. And hear and say number names.

RE

Creation and Covenant

In this unit children will learn that everything God creates is good, purposeful and filled with love. This is explained in language that they can understand: *God made me, God loves me, God made the wonderful world.* Pupils learn that the beauty and variety of things that they see each day, trees, colours, animals and even themselves are all gifts from God. Children will also learn to speak with God in its simplest form in prayer.

PD

Physical Development

Children will have plenty of opportunities to develop physically both inside and outside the classroom. They will develop their gross motor skills by throwing and learning to catch large balls. They will use the outside apparatus to climb, balance and develop control of their body movements in a safe way.

PSED

Personal, Social and Emotional Development

Children will be introduced to Zones of Regulation to support them with self-regulation. Through daily circle times we will be developing our understanding of rules and learning about looking after each other following our school rules, Be Kind, Be Ready, Be Safe. Children will be encouraged to use language to express their emotions.

EAD

Expressive Arts and Design: Art

Children will learn how to draw faces and circles. They will develop sticking skills to make collages of faces and will experiment with colour mixing. Children will use the core texts as a stimulus to make textured owl pictures, beginning using a variety of natural materials.

RHE

Relationships and Health Education

This term our RHE learning will link with Creation. Children will learn that we are all handmade with Love and unique.

Reading

Please remember to read every day at home with your child.

Foundations for Phonics

We will follow the **Little Wandle Foundations for Phonics programme** to develop phonological awareness of sound. This term we will begin by focussing on activities that develop focused listening and attention to sounds around us.

UW

Understanding the World

This term our topic is called 'Marvellous Me' Children will explore where they come from and where their families are from and who are their special people in their lives.

EAD Music

Expressive Arts and Design: Music

Using our theme 'Marvellous Me' children will create sounds using body percussion. They will join in with familiar songs and rhymes and play percussion instruments to create a variety of musical sounds
