- Prevent unnecessary disruption to lessons and other educational activities.
- Protect our grounds and facilities from vandalism and misuse.
- Engage with the community and outside educational influences in a structured and productive manner.

## **1. Legal framework**

- Health and Safety at Work etc. Act 1974
- DfE (2024) 'Keeping children safe in education 2024'

## **2. Authorisation**

Individuals who would like to visit the schools, but are not in contact with a member of staff regarding this, will arrange their visit through the school office.

The office will record the date and time of the proposed visit, reason for the visit, name of the visitor(s), and the name of the organisation they belong to where applicable.

The school office will be contacted about a proposed visitation at least two weeks in advance. The school office will pass all details on to the headteacher for a final sign-off before getting back to the visitors and confirming the details of their visit.

Teachers, or other staff members, arranging visitors to the school for educational purposes will collate all the above required information and pass this on to the school office for the headteacher's authorisation.

Visitors who arrive at the school without a prior appointment may be permitted to meet with the headteacher/other staff members where these members of the school staff are happy to

do so. The visitor will not be allowed into the school without the supervision of a teacher, member of school office staff or member of the SLT.

Parents are discouraged from visiting the school during school hours unless for a school event or emergency. Where a parent arrives at the school, they will follow the visiting procedures outlined in section 4.

### **3. Safeguarding**

The school is committed to promoting the safety of all pupils, and may require visitors to undertake a DBS check depending on the purpose of their visit.

Prior to arranging a visit, the headteacher will ensure careful consideration is given to the suitability of the person or organisation. This will include an assessment of:

- The educational value of the visit.
- The age appropriateness of what is going to be delivered.
- Whether relevant checks will be required.
- Whether the visit could bring the school into disrepute.
- How compatible the visit is with the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs.

The suitability of potential speakers and agencies will be scrutinised in line with the Guest Speaker Policy.

A visitor will require an enhanced DBS check with children's barred list information if they will be undertaking 'regulated activity' at the school.

For visitors at the school in a professional capacity, the school will check their ID upon arrival and receive assurance that the visitor has had the appropriate DBS check. The school will not ask to see the DBS certificate in these circumstances.

DBS checks will be undertaken in accordance with the DBS Policy.

The DSL and headteacher will be responsible for determining whether DBS checks need to be carried out and ensuring that they are undertaken, where required.

The headteacher will use their professional judgement to determine whether a visitor should be escorted or supervised while on school premises.

Under no circumstance will a visitor who has not undergone a DBS check be left unsupervised with pupils. The school will manage the risk of potential harm to pupils by taking steps to segregate pupils from visitors.

The school will adhere to the Prevent Duty Policy at all times when managing the risk of potential harm to pupils from visitors.

#### **4. Visiting procedures**

All visitors to the school, including parents, will comply with the following procedure:

- Immediately report to the school reception area on arrival
- Provide their details to the school office staff, including:
  - Name
  - Purpose of visit
  - Name of pupil the visit pertains to/staff member who arranged the visit
  - Expected length of visit
- Sign-in using the visitors' book or signing in system
- Display ID badges provided at all times while on school property
- Sign-out using the visitors' book upon departure
- Return ID badges to the school office before departure

Visitors will be briefed prior to the visit on any requirements, such as proof of identity, they should be aware of and provided with a copy of relevant procedures, e.g. a summary of key safeguarding and health and safety information.

Visitors will be made aware of relevant school policies, including those in relation to health and safety, reporting a concern and emergency procedures.

Visitors will be advised that the school is a non-smoking area and smoking is not permitted anywhere within school grounds.

Prior to the visit, all visitors will be made aware of any specific parking arrangements which the school has in place.

#### **5. Exceptions**

Visits to the school by contractors are governed by our Contractors Policy.

Visitors attending scheduled open days, sports events or other 'by-invitation' school activities will be exempt from the visiting procedures outlined in section 4.

Anyone attending school events will keep to the areas of the school grounds where the events are taking place (e.g. the sports field, school hall).

#### **6. Unidentified individuals**

It is the responsibility of all staff members to politely question any individual who enters the school premises unaccompanied and/or without a clearly displayed name badge.

Any such visitors will be directed to the school office where they can sign-in.

If a visitor cannot be identified, the headteacher will be informed immediately.

If a visitor refuses to report to the school office, or becomes aggressive or abusive, they will be asked to leave the premises by the nominated school security lead and the police may be called to assist.

## **7. Visitor conduct**

Visitors to the school will be required to act in accordance with the school's Code of Conduct and other relevant school policies at all times.

The school reserves the right to escort individuals from the premises who act in an aggressive or threatening manner towards staff members, pupils, governors, parents or other visitors.

Under section 547 of the Education Act 1996, it is an offence for any person to cause a nuisance or disturbance on school premises; therefore, the police may be contacted to assist in the removal of individuals from the premises, where necessary.

In the event of persistent occurrence of unacceptable behaviour on the school site, the school has the right to request a banning order from the PFMAC with support from the LA, if required.

## **8. Monitoring and review**

This policy is reviewed annually by the PF MAC Operations Manager and the Finance and Audit committee.

The next scheduled review date for this policy is April 2026.

Amendments to the policy will be communicated to all relevant stakeholders.
